

## 3 vs. 1000 skit

Required: 3 scouts

Script: This can be done as a story or a skit.

Three scouts limp and stumble onstage. They are soldiers that have just survived a horrific battle.

Ad-libbing the entire conversation works better than memorized lines, but should go something like this...

**1:** What a battle!

**2:** What amazing odds! And, to think we survived!

**3:** Yeah, **THREE** against **A THOUSAND** - simply amazing!

**1:** We never should have attempted it. **THREE** against **A THOUSAND** and we're still here to tell about it.

**2:** That's enough fighting for me. I'm retiring from the army. Fighting **THREE** against **A THOUSAND** has completely worn me out.

**3:** Me too. I think we've made a name for ourselves. **THREE** against **A THOUSAND** - I still can't believe it!

**1:** OK, I'll quit too. You know, those were the toughest **THREE** guys I've ever fought against!
